SIBU: ML Education Services will be holding its annual education fair from today to March 6 from 2pm to 6pm in Sarikei, Sibu, Bintulu and Kota Kinabalu.

The first leg will be at Dragon Inn, Sarikei today, to be followed by second leg at RH Hotel, Sibu from tomorrow to Sunday.

The third leg is at Packcity Everly Hotel, Bintulu on March 4 and the final leg will be at Klagan Hotel in Kota Kinabalu on March 6.

“Visitors to the fair will be inspired by globally recognised and award winning institutions of higher learning from the country and overseas”, said ML Education Services operation director who only wished to be known as Lau.

“Assistance on the scholarship applications, PTPTN and Mara loans will also be given,” she added.

Institutions participating in the fair include Dublin Institute of Technology (Ireland), Education In Ireland (Ireland), Singapore Institute of Management (Singapore), Dimensions International College (Singapore), Taylor’s University, HELP University, INTI International University and Colleges, Asia Pacific University, KDU University College, KDU College (Penang Campus), KBU International College, IUKL (Infrastructure University Kuala Lumpur), The One Academy of Communication Design, Penang International Dental College, Nilai University, UCSI University (Sarawak Campus), Malaysia Institute of Art, Global Academy Consultant (Moscow Medical Academy, Russian State Medical University, Universitas Gadjah Mada (Yogyakarta), Universitas Padjadjaran (Bandung); Universitas Sumatera Utara (Medan); and Institute Teknologi Bandung (Bandung)).

Academic courses as well as technical courses are available, the courses include Medicine, Dentistry, Pharmacy, Engineering, Sciences, Law, IT, Business, Accounting, Finance, Baking, Culinary, Aircraft Maintenance, Beauty, Mass Communication, Actuarial Studies, Chinese Medicine, Physiotherapy, Hospitality and Automotive technician courses and etc.

“Many programmes not only put emphasis on academic excellence but also on working experience and communication skills to boost employability,” Lau said.

Students are advised to bring along their result slips - forecast or actual - and other relevant documents for accurate assessments by counsellors and institution representatives.

For details, call ML Educational Services (084-335366), or 0198229720 for Adeline Wong, or 019-8870018 for Chieng.
CONDUCIVE ENVIRONMENT: An environment conducive to studying at one of the universities participating in the fair.
