Tan Chong rewards 10 UCSI students

ETCM recently awarded 10 lucky students from the UCSI campus. Nissan’s official Malaysian manufacturing and distribution partner recently showcased the Nissan Leaf electric vehicle (EV) at the UCSI’s Cheras campus whereby a Facebook contest was organised in conjunction with the showcase for the campus’ students.

UCSI students who participated in the contest were required to submit a creative photo of them with the EV accompanied by a creative photo caption. Winning the grand prize was Derric Ong, a student from UCSI’s Faculty of Engineering, Technology & Built Environment. Derric, along with nine other winners who were awarded in a ceremony last week at the Nissan Showroom in Jalan Raja Laut, Kuala Lumpur by ETCM’s executive director Datuk Dr Ang Boon Beng.

Impressed with the reactions and participation of UCSI’s students with the zero emissions Nissan Leaf showcase, Ang further added: “We believe in creating awareness especially among the younger generation about the importance and benefit of embracing green technology and innovation.”
