

MQA CEO Congratulates UCSI Standouts

UCSI University's annual Award & Scholarship Presentation Ceremony this year was graced by none other than the Malaysian Qualifications Agency (MQA) CEO, Prof Dato' Dr Rujhan Mustafa. While he was there, he shared his insights on education with 926 students who were present. Among other things, he encouraged them to have vision and foresight when it came to their education, saying: "Do not dwell on short-term glory but plan for long term brilliance." All in all, over RM18 million was given out in the form of various awards, scholarships and bursaries.
