The graduating students of UCSI University's (UCSI) De Institute of Creative Arts & Design (ICAD) had the honour of showcasing their graphic and animation designs at KL City Gallery. The exhibition was part of ICAD's effort to expose its students to the ever-changing industry. The culmination of the students' two-year Diploma in Graphic Design and Diploma in 3D Animation Design programmes were displayed live for two months. "By showcasing their work in public, they'd be able to gain constructive feedback from key industry players as well as art enthusiasts. This will help them grow as artists and designers," said International of UCSI University Deputy Vice-Chancellor of Academic Affairs and ICAD Director Professor Dato' Dr Ahmad Haji Zainuddin officiated the event. Awards were also given to Chong Kai Qi and Lau Pei Ying for Best Student Diploma in Graphic Design 2016 and Best Student Diploma in 3D Animation 2016 respectively.
