INTERNATIONAL DEGREE PATHWAY (IDP)

AUSTRALIA
HERE I COME!
An island continent located between the Indian and Pacific Oceans, Australia combines a wide variety of landscapes. The highest mountains are part of the Great Dividing Range that lines the east coast from Cape York Peninsula south to the state of Victoria.

Australia has eight of the top 100 universities in the world and the third highest number of international students in the world.

### Why should you study in Australia

#### Multicultural and safe environment

#### Wide range of courses

#### Internationally recognised programmes

#### Low living expenses and tuition fees
