Doctor of Medicine

Recognised by the Malaysian Medical Council (MMC)
Listed by the World Health Organisation (WHO)

At UCSI, we influence aspiring doctors the same way they will influence medical outcomes. We admit outstanding cohorts of medical students each year and we are gratified to equip the best people with the best ideas. With that in mind, you can rest assured that you will be in good company as you work to make a difference.

75 seats offered
100% take-up rate
95% of our medical students entered the programme with a CGPA of 3.7 or higher in their Foundation programmes
63% of our medical students entered the programme with straight A’s in their A-Level exams

Note: The above statistics are based on the 2012 intake

100% pass rate for all cohorts
UCSI receives a high number of Government-sponsored students each year

BPharm (Hons)
Pharmacy

Recognised by the Malaysian Pharmacy Board (MPB)

If you are driven by an interest to know how medications work, how they are made and how they alleviate human suffering, we can help. Medication management, drug research, development and pharmacy management are key areas in our Pharmacy programme and we encourage students to discover tomorrow’s medicine today. To match technological advancement in the field, we engage practitioners, educators and industrial partners in our bid to train future generations of capable pharmacists. Our history and excellent track record attracts top students each year and we are happy to help the best go further.

100% take-up rate of seats offered
85% of our Pharmacy students entered the programme with a CGPA of 3.7 or better in their Foundation programmes
70% of our Pharmacy students entered the programme with at least 3A’s in their A-Level exams

Note: The above statistics are based on the 2012 intake

12 batches of graduates since 2000
100% of graduates are now working as registered pharmacists
