POSSDEG is an acronym for Postgraduate Students Speech Development Group. It was established by UCSI University’s office of postgraduate studies as an exclusive focus group that aids the development and enhancement of academic presentation skills.

It was founded on the 8th of February, 2013 with three broad objectives:

1. To create an avenue for postgraduate students of UCSI University to develop their presentation abilities through consistent practice and peer evaluation.
2. To help members to understand their areas of weakness and gain from the insightful criticism and contributions from POSSDEG peers in order to overcome these weaknesses.
3. To provide a platform for POSSDEG members to attend important training programs that will further enhance their presentation skills.

**Note:** Members must be 5mins early for meetings.

Academic marks are not awarded for membership. Registration comes with a membership card and a personalized number. Presentation days are issued afterwards and attendance is compulsory. Absentees must provide a verifiable reason in order to avoid being expelled from the group. Registration is not compulsory.
