Ling Chen Jiet, Yong Sue Wen and Lee Chia Choon wrote a piece of history for themselves when they bagged Top 10 Achiever Awards in the GCE A-Level June 2012 examinations. By outscoring prodigious students from around the world, the trio effectively proved that Malaysians are more than capable of being the best.

Their monumental success adds credence to UCSI University's A-Level Academy’s status as a preferred pre-university provider. Having produced Top 10 Achievers in 2009 and 2010 as well, the feat is something of a recurring theme and the Academy is gratified to help the best go further. Our students performed admirably in the June exams with 40% scoring A*'s and A's in their subjects.

Our students frequently secure admission at the world’s best universities and nothing satisfies us more than their success. At the Academy, the true story is really about our students and until they get to their preferred universities, we will not rest.

Join our A-Level programme and experience the UCSI University difference for yourself. Raise the bar. Fulfill your potential. Make your mark.
