

Galway-Mayo Institute of Technology

Private Rented Accommodation

An online accommodation listings service is provided by GMIT Students Union on their website.

It provides a list of the different types of accommodation (houses, flats, full and partial board) available near the Galway, Mayo, Letterfrack and Mountbellew campuses.

Guidelines on rental arrangements are published in the Students' Guide and Welfare Booklet issued by GMIT Students' Union.

Information on Tenant Rights is also available online on the GMIT Students Union website.

Student Villages

A number of purpose-built student villages are located near GMIT Galway and Mayo campuses.

These student villages are owned and run by private operators.
