# WHICH MEALPLAN IS RIGHT FOR ME?

There are many benefits to eating on campus. If you are living on campus, you will need to choose a meal plan. But which one is right for you?

**For just \$150 more a year**, you can go from 15 meals a week to 7 days of unlimited eating in residence. With the purchase of an unlimited meal plan, you will still receive \$125 of FoodBucks, which can be spent at any of the University of Manitoba Dining Services locations, including Tim Hortons, Starbucks, and Subway! The great thing about FoodBucks is that you can always add to it, like a gift card. This allows you to plan your spending and save your time for more important things than doing dishes. By choosing the unlimited meal plan, you will have no reason not to have a well-rounded diet: no more skipping breakfast, the most important meal of the day!
