

MASTER OF EDUCATION

(N/141/7/0017)(03/2027)(MQA/PA 15229)

BUILDING THE FUTURE OF EDUCATION

Designed to provide graduates with advanced knowledge and a range of specialised skill sets to be an effective educator, the Master of Education offered at UCSI University is a research and practical oriented based programme. It is designed to enhance your professional practice and help you make a positive difference in the classroom or within the education industry. Various teaching and pedagogical models of instruction, curriculum development and research skills will be emphasized. In line with the current shift towards a knowledge-based economy to develop competent and academically qualified educators, the programme nurtures independent thinkers to adapt and manage their roles effectively, be equipped with criticality in thinking as well as problem-solving skills. The programme will be delivered by prominent and experienced Professors, Associate Professors and Adjunct Professors from esteemed local and international institutions.
