

Dr. Elango Natarajan  
Department of Mechanical & Mechatronic Engineering  
Email : [elango@ucsiuniversity.edu.my](mailto:elango@ucsiuniversity.edu.my)  
Handphone : +60102008560

### Areas of Industrial Collaboration

- Soft Robotics
- Optimization of Machining Parameters
- Engineering Design

### Community Service Projects

- Soft Actuators
- Optimization of Machining Parameters of Reinforced Polymer Composites
- Smart Bionic Lower limb and reengineering Transfemoral Amputees

- Nano Filler Reinforced Aluminum Composites
- Dynamic Analysis of Compliant Stewart-Gough Parallel Mechanism
