

UPDATES ON REOPENING OF UCSI UNIVERSITY KL CAMPUS ON **15th OCTOBER 2021** ONWARDS

As per the Ministry of Higher Education (MOHE) announcement on 15th September 2021, all students, academic staff and administrative staff of the University who are **fully vaccinated** (Beyond Prescribed Effective Date of the Vaccination) are allowed to return to the campus starting 15th October 2021 onwards. This is applicable to Higher Learning Institution in all Phases of National Recovery Plan, including UCSI University KL Campus, which are currently in Phase 3 of National Recovery Plan.

Following the announcement, hybrid mode of study will resume starting 15th October 2021, both Physical and Online classes will be available for students.

For students who are fully vaccinated by 15th October 2021, you are urged and encouraged to return to the campus in stages as per the MOHE's announcement.

The following categories of students who have been fully vaccinated are urged and encouraged to return starting 15th October 2021, they are:

- a. Students who require practical, laboratory, clinical, studio and workshop arrangements for their studies
- b. Students who do not have a conducive environment for their study and want to use the facilities in the campus

For more information on this arrangement to return to campus, students may refer to the attached Frequently Asked Questions document and the Ministry of Higher Education announcement:
