Challenge Mechanics

The quiz will be conducted in ENGLISH. The questions set
for this challenge will be segregated into the following
categories:

a. Mathematics b. Biology c. Chemistry d. Physics

Questions MAY NOT be based on SPM/IGCSE curriculum only.
This competition will be divided into the State and National
Level Challenges.

STATE LEVEL CHALLENGE

The State Level Challenge will be conducted as a written test (exam
format) comprising of 60 multiple-choice questions (MCQs).
Participants will sit for an individual written test. The duration of
the test is 60 minutes.

Rewards:

- Certificate of Participation is provided to each participant.
- Certificates for the top four (4) winners.

Qualifying: Top four (4) teams with the highest team score from
each State Level Challenge will be invited to the National Level
Challenge at UCSI University Kuala Lumpur Campus on 20th April 2019.

NATIONAL LEVEL CHALLENGE

The National Level Challenge will be divided into two (2) rounds.

Round 1 - Semi-Finals

Four (4) teams from each State Level Challenge will compete in one of
the semi-final rounds. This is the Buzzer Session. All groups will try to
be the first to press the buzzer (light button) to answer the question.
The team (1 team) with the highest score from each semi-final will
then proceed to the final round.

Round 2 – Finals

Only four (4) teams will qualify to the finals. The format will be the
same as the semi-finals. Three (3) teams with the highest scores will
be named Champion, First runner-up and Second runner-up.

Rules and Regulations

1. This competition is open to all science stream Form 5 students
and IGCSE students
2. The quiz will be conducted in English.
3. Each team should consist of three (3) students, under the supervision
of their teacher.
4. All team members are strictly not permitted to be in possession of any
electronic device (mobile phones, cameras, PDAs, and etc.) during the
competition.
5. The Judges/Organisers' decision in all matters relating to the competition
shall be final, absolute and binding on the participants.
6. If at any time during or after the competition, a winner is found to have
not complied with any of the Rules and Regulations, the Organisers
reserve the right to cancel and/or recover the claimed prize at their sole
discretion. In such a situation, the winning team will be disqualified and
the panel of judges will determine a new winning team.
7. Members of the winning team should be available for the post-
competition production, recording and publicity of the competition, such as:
 - a. Interview (which shall be videotaped)
 - b. Taking of still photographs, audio or visual recording for promotions
and publicity purposes.
8. The Organisers reserve the right to vary, postpone or reschedule the dates
and venues of the competition or extend the competition period at their
sole discretion.
9. By participating in this competition, the contestants agree to and shall
ensure that all team members, chaperones and their respective
institution's authorities agree to be bound by the competition's Rules
and Regulations.
