Tomorrow's Education Today

***It's not just a campus
expansion. It's an education
city in the making.***

UCSI University is a top-ranking private university in Malaysia and the only university in the world to make the top QS Recognition for Improvement in 2023. Propelled by its leading-edge academia, the university is renowned for its leadership in academic pursuits and engagement with industry and community.

The university moved up to 63 spots to be ranked 284th university in the world and placed among the top 0.9% of the world's universities*. The university is quickly making a name for itself in research and innovation and has distinguished itself as a higher learning institution with a track record of having quality academicians and researchers with a global presence since its establishment in 1986.

Currently, all UCSI University's programmes have received a 100% employability score from the Malaysian Higher Education Ministry's Graduate Employability 2021 survey, making its graduates highly employable in the job market.

Since 2014, UCSI's top students have been annually selected to advance high impact research at Harvard University, Imperial College London, the University of Chicago and Tsinghua University, among others.

Over the years, tens of thousands of students from 110 different countries have studied at UCSI University, making the campus a vibrant melting pot of culture and diversity. At present, the university runs what is Malaysia's largest university-industry network through its Employment and Co-Operative Placement (Co-Op) programme, which provides employment support services for undergraduates and graduates, including alumni.

Today, it has over 4,600 global companies to provide each student with at least two months of internships each year. This network includes many of the world's best firms like Accenture, CIMB, Citibank, Deloitte, DHL, Ernst & Young, Hewlett-Packard, HSBC, KPMG, Maybank, Nestle, Samsung, Schlumberger, Standard Chartered, Ogilvy, P&G, Petronas and PWC, among others.

With these and more, UCSI stands out as a university that offers an education few can, provides experiences others can't and delivers life-defining outcomes for students everywhere.

EXPERIENCE THE BEST OF MALAYSIA

Malaysia is the multicultural centre of Southeast Asia, celebrating the ethnic, cultural and religious diversity among its people. From its pristine beaches to highland getaways and national parks, Malaysia's landscape is equally diverse and fascinating. The best part is, English is widely spoken and understood here. The George Town and Melaka cities as well as Gunung Mulu National Park and Kinabalu National Park are among the places on the 'UNESCO World Heritage Sites' list. Malaysia's capital city, Kuala Lumpur, is famous for its skyscrapers and upscale shopping malls. Malaysia's many attractions such as the idyllic beaches of Redang and Perhentian or the Taman Negara National Park with its unique flora and fauna are some of the getaways if you are looking to take a break from your busy routine. Visit Malaysia and have an unforgettable experience which you will remember for a lifetime!

STUDENT TESTIMONIALS

“

The most interesting thing about being here in Malaysia is the food! The milk tea here and everywhere in Kuala Lumpur is delicious! The accommodation here (Le Quadri Hotel) is really comfortable.

The teachers we had were very good, they were skillful and friendly. I like the presentation part and I got to do it almost every day! It helped me to improve on my skills.

To anyone in Vietnam who wants to learn the similar English course, they should come to UCSI - It's the best!
