ASSA

The objectives of the SWC are:

To provide a **platform for student feedback and discussion on issues concerning programs, services, and activities of the faculty**, specifically:

- To function as a **One-Stop-Centre for students** to refer to within the Faculty
- To act as the **front liner of receiving students' feedback** or concerns
- **Advise the Dean** on issues concerning students' view on programmes, services, and activities of the Faculty
- To **advise on policy** relating to student affairs and welfare
- To **advise on the enhancement** of student activities and ideas for campus (student) life
- To **advise on the enhancement** of **student facilities**
- Focus on **all relevant student issues determined by current events and/or by suggestions of committee members**
- To **review orientation processes and practices of each constituent (department/school) in order to ensure these programmes meet the better needs of all students**
- To **work closely with the Student Affairs Office of the University to gain support for resourcing the operations of the Faculty**
