

**Chairperson**  
Ms Hee Mei Qi

The Student Welfare Committee (SWC) acts as an interface between the Faculty of Pharmaceutical Sciences (FPS) and the students to develop a highly effective learning community. SWC meetings are conducted monthly during semester to address all relevant concerns from the students regarding teaching and learning experiences, student well-being, infrastructures, etc. Students are encouraged to provide any constructive feedback and suggestions that may benefit the faculty and university. Together we can make a difference.
