The objectives of the SWC are:

- To provide a platform for student feedback and discussion on issues concerning programs, services, and activities of the faculty, specifically:
 - To function as a One-Stop-Centre for students to refer to within the Faculty
 - To act as the front liner of receiving students' feedback or concerns
 - To provide feedback on programs, curricula, and learning and teaching issues
 - Advise the Dean on issues concerning students' view on programmes, services, and activities of the Faculty
 - To advise on policy relating to student affairs and welfare
 - To advise on the enhancement of student activities and ideas for campus (student) life
 - To advise on the enhancement of student facilities
 - Focus on all relevant student issues determined by current events and/or by suggestions of committee members
 - To review orientation processes and practices of each constituent (department/school) in order to ensure these programmes meet the better needs of all students
 - To work closely with the Student Affairs Office of the University to gain support for resourcing the operations of the Faculty
