***“CPD points will
be awarded.”***

August 13, 2020
Time: 3:00-5:00 pm

Agenda :

3:00 pm	Welcoming note
3:10 pm	Presentation and FAQ section
4:50 pm	Appreciation message
5:00 pm	End

COVID-19 pandemic are expected to remain for an extended period. In such condition, guidelines detailing the infection control measures for aesthetic clinics are of particular importance.

The webinar aims to provide the information:

- A set of consensus guidelines for Aesthetic Doctors to protect themselves, clinic staff and patients from CoV-19 infection.
- Risk categorization and safety precautions for the aesthetic procedures
- Real case sharing
